

# GONZALO DIEZ

CHEMICAL ENGINEER - LSS GREEN BELT  
- DATA ANALYTICS

## ABOUT ME

As well as having deep analytical thinking I put a great emphasis on communication, so I am always trying to integrate data technology in the decision making process. I feel highly motivated in environments where ideas are encouraged and I can have a sense of freedom while having fun. Also, I am extremely curious for new ways to solving problems and learning new skills.
